READ—

Government Order No. Fl. 602-61—G. F. 16-32-2, dated 30th July 1932, issuing certain instructions for effecting economies in the Budget grants for 1932-33.

2. Correspondence ending with Unofficial Note No. 16, dated 8th September 1932, from the Director of Public Instruction, regarding the filling up of leave vacancies without the special sanction of Government in certain cases.

ORDER NO. FL. 2614-93—G. F. 16-32-9, DATED BANGALORE, THE 12—14TH NOVEMBER 1932.

According to clause (2) of para 4 of the Government Order read above, sanction of Government is necessary for filling up all vacancies (including leave vacancies), though clause (6) of the same para permits extra cost being incurred in respect of leave granted for a period of one to two months as well as during leave granted on grounds of ill-health supported by medical certificate or for other urgent and unavoidable cause. With a view to minimise correspondence, Government direct that the vacancies caused by the grant of leave, in cases where no extra cost is involved and where the leave is granted on grounds of ill-health supported by medical certificate, be filled up without the sanction of Government, subject to the conditions that they are filled up on an officiating basis only and that the vacancies of less than a month's duration are not filled up.
